

4 x 2" Heavy Duty Swivel Double Wide Castor Wheels Trolley 50mm Furniture Rubber With Brake

RRP: \$49.95

Sold in packs of four, the Randy & Travis Machinery Heavy Duty Swivel Castor Wheels are a great DIY option to mobilise couches, computer tables, gaming tables, trolleys, arm chairs, bed bases, wardrobes, cupboards, storage boxes and anything else that could benefit from a set of wheels! Great for home use, these castors are also suitable for schools, care homes, hotels, the workplace and anywhere else where furniture or equipment needs a set of castor. Each castor is made of durable metal and features a rubber-coated wheel that ensures movement is smooth and the furniture item is protected from bumps and jolts.

The castors are easy to fit and each comes with a safety brake that ensures once the item is in position, it won't go anywhere whilst in use.

Features:

- Can be attached to a wide range of surfaces
- 360° swivel action for free, smooth, multi-directional movement
- Integral brake that will prevent the castors from moving once the item is in the required position
- Robust construction and versatile application

Specifications:

- 4 castors in the pack
- Each castor measures: 5 x 5 x 7.5cm
- The castor plate measures 6cm
- Material: Metal/rubber
