

Hammock C Stand Solid Steel Construction for Hanging Air Porch Swing Chair

RRP: \$554.95

This hammock stand is the perfect addition to any home or garden. A hammock is a great way to create a relaxing atmosphere, and with this stand, you can ensure your hammock not only looks beautiful but is secure too. Whether you're using this hammock stand on a stylish patio as a finishing touch to a relaxed garden furniture collection, or as a stylish place to read in a cosy room, you won't be disappointed.

Features:

This hammock stand from Randy & Travis machinery is the ultimate addition to your hammock set-up. Used in indoor settings, it is the perfect space saver, with an X-base to save as much room as possible. Used outside, this hammock will retain the perfect smooth black finish thanks to the rust-resistant coating. The hammock is also able to rotate 360 degrees, so is an adaptable piece of furniture whatever set-up you need it in!

The top of the hammock stand features a secure loop for air chairs to be attached to, which is integrated into the structure for optimum balance. The stand is suitable for any user, or indeed multiple users at once – thanks to the reinforced stainless-steel structure it can hold a weight of up to 330 pounds.

Specifications:

The stand from stainless steel through robust construction methods. Able to rotate 360 degrees on its base, it can hold up to 330 pounds. The hammock stand itself is 7ft tall, so can comfortably fit in most spaces, and weighs 54 pounds.

Note: This listing is for the stand only, seat not included.
