

Foldable Dog Pet Ramp Adjustable Height Dogs Stairs for Bed Sofa Car 100cm

RRP: \$224.95

Transporting your pet has never been easier with the NWC-RAMP-8369 Foldable Pet Ramp. Simply adjust the bracket for use and collapse it back down again within seconds! This adjustable ramp allows your pet to reach new heights – such as the bed, sofa or car – without assistance. The ramp has a solid, high-quality pine structure topped with carpet stripes that make it both non-slip and comfortable for your furry friends. The triangular fold structure guarantees high-pressure resistance and load bearing, making the product suitable for all pets up to 100lb. You don't have to worry about taking up space in your home or vehicle as the ramp is easy to fold and store away at your convenience.

Whether you're looking to support your senior pet or help your smaller dog overcome small stairs, ledges or heights, Randy & Travis Machinery highly recommends this easy-to-stow pet ramp.

Features:

- Non-slip surface that is both paw-friendly and prevents slips or falls
- An adjustable height that allows for easy pet access on a steady incline and makes it suitable for vehicles or high surfaces of all shapes and sizes
- A portable and storable structure for convenience
- Recommended for injured or senior pets in need of pain-free and easy assistance

Specifications:

- Materials: Plywood, natural timber, rubber stoppers, carpet
- Gross Weight: 4kg
- Max load: 45kg
- Open Size: 100 × 43 × (35/43/48/55)cm (L×W×H)
