

## Kids Sand Pit Large Octagonal Wooden Sandpit

RRP: \$359.95

We think that it would be near impossible to find a child that wouldn't enjoy playing in a good old-fashioned sandpit – even more so if they can fit as many toys as possible in!

Our Kids Large Octagonal Wooden Sandpit makes the ideal toy for summer. Made from FSC Certified Timber, the sandpit also comes equipped with bench seats which can accommodate at least four children at a time.

The pit's large size leaves plenty of room for you and your child's imagination to run wild. You could add endless amounts of toys (we recommend toy animals, and plenty of buckets and spades), or set up a series of prizes for your child to excavate and win – it's all down to your imagination!
