

Chicken coop LARGE Run Guinea Pig Cage Villa Extension Rabbit hutch house pen

RRP: \$459.95

Do your chickens, rabbits, or guinea pigs need a bit more room to roam? If so, this pet hutch villa extension by Randy & Travis Machinery will give them that space and more. Mouse-proof and snake-proof, this extra run will protect your precious pets from predators and other pests while allowing them to stretch their little legs. Crafted from fine, rot-resistant fir timber, this large pet run can attach to your existing pet shelter to provide extra space. Or, you can use it as a separate area to put your pets in for a change of pace while you clean or do other maintenance on their regular quarters.

With its natural, light amber colour and rustic look, it will look great in your garden or backyard. Access it easily for cleaning or to retrieve a pet through its two top openings. It's completely enclosed, so you'll never need to worry about your furry or feathered friends getting loose in your neighbourhood. Give your pets a little more space to stretch their legs this year.
