

Heavy Duty Full Cassette Motorised Awning - 5.0m x 3.0m

RRP: \$5,519.95

The Bariloche is a compact, motorised, full cassette folding arm awning with a neat contemporary design. It has heavy duty folding arms, designed and tested to withstand winds up to Beaufort 5 (38km/hr).

Bariloche retractable awnings are operated by wireless remote control (included) with a powerful 50 Nm tubular motor hidden within the roller tube.

A powder coated aluminium outer shell (cassette) provides protection against corrosion and dirt.

Features:

- 6061 grade aluminium arms and casing powder coated charcoal / grey
- Powered by a remote controlled 50nm Dooya motor
- Plug and play. The awning has a 2.0m power cord with a sealed 3 pin plug. Just plug into an outdoor waterproof outlet.
- Fabric: 280g/m² polyester (UV 40+)
- Heavy duty arms designed and tested to withstand winds up to Beaufort 5 (38km/hr).
- Arms made with 6061 grade aluminium and dual PVC coated cables provide extremely high spring tension to ensure taught fabric. Beware of cheap imitations that use light gauge and low grade aluminium.
- Manual crank override so the awning can be operated even with no power
- Wireless remote control
- Stainless steel nuts and bolts
- 5.0m x 3.0m Retractable Folding Arm Awning Heavy Duty Full Cassette Motorised
