

200cm x 250cm Lawn Turf Artificial Grass Mat Carpet Fake Synthetic Garden Landscape

RRP: \$119.95

Made from 100% high-quality artificial grass, this product boasts features such as moisture-proofing, mildew resistance, flame-retardance, moth resistance, and wash ability.

Easy to maintain and splice, it finds versatile applications in construction site fences, roof greening and insulation, environmental beautification, and recreational playgrounds.

Suitable for diverse settings including shop entrances, homes, offices, both indoor and outdoor spaces, as well as schools and kindergartens, this artificial grass serves as a practical and adaptable solution for various purposes.
