

## RV Caravan Camper Van Hinged Push Out Window Motorhome Exit Window 900mm x 500mm

RRP: \$1,084.95

Introducing the Randy & Travis hinged window, a revolutionary design catering to RVs and mobile homes.

In comparison to traditional RV side windows, our cutting-edge installation method significantly reduces installation time by half, thus saving both time and labor costs. This window boasts a 100% brand-new construction, ensuring high quality with a straightforward and swift clamping installation process.

The innovatively designed inner frame eliminates surface screw holes, enhancing the window's aesthetic appeal. Crafted with an aluminium outer frame and a gray-tinted double-glazed acrylic pane, complete with an integrated roller blind, this window offers dual functionality by preventing mosquitoes and serving as a sunshade screen. Operating the window is a breeze with its one-hand opening and closing mechanism. Furthermore, the window glass can be adjusted to multiple positions, providing convenience in selecting the optimal opening angle based on varying weather conditions.
