

Motorised Folding Arm Awning - 4.0x2.5m

RRP: \$1,089.95

Why suffer with the hot, unyielding sun when trying to enjoy your deck or patio? Consider our 4.0x2.5m Automatic Outdoor Motorised Folding Arm Awning as a solution for the heat and blinding light that compromises your outdoor enjoyment. This fully-motorised, fully retractable awning will give you shady, cool relief from that pesky sun at the touch of a button.

The 4.0x2.5m Automatic Outdoor Motorised Folding Arm Awning is wall or ceiling mountable. In addition to remote control, the awning features a manual override hand crank. The awning can be angle-adjusted up to 35 degrees. The awning is also designed with maximum weather-resistance, featuring ultraviolet ray protection, water proof fibers, and color fast application. The 4.0x2.5m Automatic Outdoor Motorised Folding Arm Awning is truly your chance to reclaim the enjoyment of your outdoor space with an effortless, attractive shade solution.
