

Basin Mixer Tap Faucet w/Extend -Kitchen Laundry Sink

Out of Stock: \$385.95

Another fantastic product from DELLA FRANCESCA comes this fully Australian Certified Quality Product - at a fraction of the price of overpriced retailers!

The Della Francesca Flexible Pull-Out Kitchen Mixer is a modern solution for the modern kitchen, featuring surprising versatility and Della Francesca's signature quality and great looks. Constructed from solid brass with a brilliant chrome finish, this kitchen mixer is built to last, and it will keep looking great for years to come. And this mixer marries form with function. The neck is designed with a flexible spring which can be repositioned for all of your kitchen chores. And if that wasn't enough, the head detaches for handheld cleaning. This is one smart mixer!

And on the topic of smart, the Flexible Pull-Out Kitchen Mixer is WELS-approved with a 5-star water efficiency rating of 6 Litres per minute. Plus, the mixer is Australian Certified and Watermark approved, which assures consumers of quality plumbing products. What more could you ask for?

No need to wait for a sale — with our everyday low prices, you save every day! Order your own Della Francesca Flexible Pull-Out Kitchen Mixer today.
