4-Door Storage Lockers

Slim and versatile, the 4-Door Storage Locker gives up to four people the ability to store personal belongings at work or at school. It may just be the storage solution you've been looking for.

Four vertically-stacked lockers provide a good amount of room for small personal belongings, purses, textbooks, office supplies, and much more.

The locker is constructed with solid cold-rolled steel plate for excellent sturdiness and durability, not to mention an attractive look. The steel is also powder-coated to resist corrosion. The locker measures 180 x 38 x 45 cm, and the maximum recommended weight capacity is approximately 30kg per locker. Privacy and security are assured with a simple lock and key design. There are spaces designated for labels to help identify lockers, and air vents are built-in to assure sufficient ventilation. Each lock comes with 2 keys.

For even more storage, consider buying two or more units, which can be placed together for a fully customisable configuration.

A simple design makes assembly easy, and your locker could be up and ready in about 10 minutes. Full assembly instructions are included.

The 4-Door Storage Locker will offer plenty of functional storage to satisfy your multi-user storage needs. Take advantage of our low everyday price and buy today.
