

Six-Door Office Gym Shed Storage Lockers

RRP: \$399.95

Whether it's at the office, at school, in the garage or at the job site, the Six Door School and Office Locker is a smart solution for adding secure storage. And it can be yours at a great low price.

The unit measures 1800 x 380 x 450mm, and several units can be seamlessly placed side-by-side. Made with a durable steel in grey, the unit features six stacked square lockers with vents for air circulation and spaces for name tags or plates. The unit can hold up to a maximum weight capacity of 80kgs in total.

Each locker is lockable for security and privacy, and two keys are supplied for each locker.

Secure, versatile storage is just a few clicks away. Order the Six Door School and Office Locker today and take advantage of our rapid order processing.
