

Modular Chrome Wire Storage Shelf 1500 x 350 x 1800 Steel Shelving

RRP: \$409.95

Organize your shop and display your tools for easy access with one shelving unit!

Our sturdy steel four-shelf unit is built to last. The generous-sized chrome wireform shelves provide storage of your tools and equipment while keeping them in sight and readily accessible.

This four-shelf unit is as mobile as it is strong. This shelf unit is lightweight and compact in design allowing you to move it about to meet your changing needs.

This versatile storage solution will accommodate the particular storage and display needs in your shop. The shelves are individually adjustable and feature raised perimeters to make sure your items stay in place. The adjustable legs insure a stable footing on uneven floors.

Take the headache out of organizing your shop. Order our sturdy four-shelf shop unit without delay!
