

3 x Hypoallergenic Adhesive Under Wrap

RRP: \$34.95

Handy for the first aid kit at home as well as for medical professionals, physical therapists, athletes, sports trainers, and many more, this Hypoallergenic Adhesive Under Wrap is the perfect complement to rigid strapping tape for regular wrappings, and particularly for those with sensitive skin.

You will receive 3 rolls with your purchase, with each roll measuring 5cm in width by 10 metres long. The wrap is cut to your desired custom length with scissors. The wrap consists of a paper backing which is peeled off to reveal a high-quality, hypoallergenic adhesive. On the other side of the tape, soft non-woven fabric will keep minor wounds, rashes, blisters and burns clean and protected.

The Hypoallergenic Adhesive Under Wrap x 3 Rolls is a great value and an important addition to wound dressing. Order yours today!

Features:

- Hypoallergenic adhesive for sensitive skin
- Made with soft, high-quality non-woven fabric for protection and comfort
- 3 rolls; each roll measures 5cm wide x 10m long
