

12 Tiles EVA Rubber Foam Gym Mat 60cm x 60cm 2.5cm Fitness Flooring

Out of Stock: \$384.95

The soft, forgiving surface of this rubber EVA foam gym mat from Randy & Travis Machinery makes it the perfect choice for flooring in a fitness salon or home gym. That's not all the uses this versatile mat offers, though. It's ideal for kids' rooms, nurseries, playrooms, or simply to put down on the floor as Baby begins their first attempts at crawling and walking. Its slip-free surface makes it a good choice for seniors' rooms as well.

Use this water-resistant soft foam mat in your caravan when you go camping or set it down outside your caravan to create a soft spot for your picnics. In the shop or workplace, its shock-absorbent surface reduces fatigue from standing or walking. Its subtle pattern in neutral black makes it blend into the background for a clean, minimalist look.
