

## 18x Microfibre Cleaning Cloth Microfiber Dish Car Gym Towel Glass 210GSM 40x30cm

RRP: \$39.95

You like to keep things perfectly clean. Not a streak, not a piece of lint in sight. To keep your home, car, shop, or office in tiptop shape, you need these microfibre cleaning cloths from Randy & Travis Machinery. Crafted from premium textured microfibre, these hard-working cleaning cloths clean windows, dishes, cutlery, or office equipment without a scratch, and leaving no residue behind.

Measuring 40 by 30 centimetres, these cloths fit easily into your hand, making your cleaning more efficient. As good-looking as they are effective, you can hang them up in your kitchen or bathroom with no worries.

Use them to both clean and dry—they'll dry quickly, allowing you to use them again and again at home, or at your restaurant or hotel. Sturdy and long-lasting, these heavy-duty cloths are machine washable and dryable, and are capable of standing up to repeated cycles. For commercial applications, you can code them by colour for varied jobs to meet health and safety standards. They even make great gym towels, wicking sweat away easily to keep you cool and dry.
