Shark Inflatable Fan-Operated Costume

Stand out from the crowd with our Shark Design Inflatable Fan-Operated Costume. The size of your costume will be impressive, but your effort in hauling it around will not be.

Our suit is constructed with a lightweight variant of polyester and is powered by a small fan unit within the costume – both of which allow you to wear the costume with very little effort on your part.

The costume is one-size-fits-all for adults, suitable for those less than 200cm (6'5), and simply requires 4 AA batteries to run – making it the ideal option for a last-minute costume.

This shark costume is a great idea for Halloween or summer costume parties. The fan not only keeps the shark inflated, but it also keeps you cool in the process. Use it for promotional events — at car dealerships, seafood restaurants, or sales on fishing gear, boating tours, or special aquarium exhibitions to draw in customers and attendees.

Kids love sharks, so delight the kiddies in your life with this adorable shark costume. Use it for appearances at shark-themed birthday parties, to teach water safety for school presentations, or to entertain them on a boat ride. Make this summer a shark-tastic one. Order your shark costume today!
