

Garden Seat Folding Kneeler Bench Kneeling Soft Eva Pad

Out of Stock: \$84.95

Ideal for weeding, seeding, planting, and everything you do in your garden - this saves your knees and back when getting up and down to garden or any other low to the ground task. The pad cushions your knees and the handles aid you in standing back up from gardening.

Constructed from high-quality steel tube, this garden kneeler and seat comes in a powder coated finish for durability and padded with EVA foam for immense comfort. What's more, the arm latches are well made and sturdy enough to support years of use. Its foldable design not only makes it convenient and easy to use, but also ensures easy storage. All in all, when you are busily involved in gardening, you just cannot go wrong with this helpful kneeler or comfortable seat!

Features:

- Made of high quality steel tubing and long-lasting, comfortable EVA foam and plastic
- Foldable & durable - occupies very little space and can be carried even in your car for an outing
- Easy Standing up and kneeling down - no more need to put your palms on the grass to get up, simply hold the handles and lower or rise comfortably
- Perfect Gardening Assistant - the soft cushion reduces pressure and fatigue on your knees and lower back; the low-to-the-ground design protects your clothes from dirt and grass stains
- Multiple Storage Pouch: 2 deep pockets and 2 regular pockets accommodate various sizes of gardening tools, seeds, fertilizer, tags and ties to prevent them from scattering
