

Set of 4 Industrial Retro Hairpin Table Legs 12mm Steel Bench Desk - 11cm White

RRP: \$54.95

If you love all things Mid-Century Modern, you'll love these streamlined hairpin legs by Della Francesca. Done in neutral white, they will pair perfectly with practically any colour scheme or tabletop. Crafted from solid steel with a rust-resistant powder coating, these hairpin table legs are designed to last a lifetime. Four foot protector pads cushion your flooring from scratches and dents.

No worries if you're not an advanced DIYer. Even beginners can transform a dated tabletop into a mid-century masterpiece with these iconic hairpin legs. With pre-drilled holes and screws for installation, you can create a new coffee table, side table, or console table in only 15 minutes. They're perfect for turning a wobbly-legged flea market find into a stunning retro table your friends will envy. If you're an experienced craftsperson, you can even attach them to a handmade tabletop for a stunning heirloom for your home or the perfect gift for a special someone. Don't wait to update or create your own handmade piece. Order yours today!
